

Finger Paintings By Legally Blind Artist Tammy Ruggles Offer a Unique Perspective on the World

Tammy Ruggles is a legally blind artist who creates beautiful and evocative finger paintings. Despite her limited vision, Tammy is able to create works of art that are full of life and color. Her paintings are a testament to the power of creativity and the human spirit.

Tammy was born in 1965 with a rare eye condition called Leber's congenital amaurosis. This condition causes severe vision impairment, and by the time Tammy was 16, she was legally blind. However, Tammy never let her vision loss define her. She attended the University of Oklahoma, where she studied art and design. After graduating, Tammy worked as a graphic designer for several years.

In 2004, Tammy began to experience a decline in her vision. She was eventually diagnosed with retinitis pigmentosa, a degenerative eye condition that leads to blindness. Tammy was devastated by the news, but she was determined to continue to create art. She began to experiment with finger painting, and soon discovered that she had a natural talent for it.

Tammy's finger paintings are full of vibrant colors and bold textures. She often uses her fingers to create thick, impasto brushstrokes. Her paintings are often abstract, but they also contain elements of realism. Tammy's paintings have been exhibited in galleries and museums across the United States. They have also been featured in several magazines and newspapers.

Tammy's art is a testament to the power of creativity and the human spirit. Despite her limited vision, Tammy is able to create beautiful and inspiring works of art. Her paintings are a reminder that anything is possible if you set your mind to it.

Tammy Ruggles' Artistic Process

Tammy Ruggles' artistic process is unique and inspiring. She begins by choosing a color palette and then applies paint to her canvas with her fingers. She often uses thick, impasto brushstrokes to create texture and depth. Tammy then uses her fingers to blend the colors and create shapes. She often works on several paintings at the same time, and she will often revisit a painting several times before it is finished.

Tammy's paintings are often abstract, but they also contain elements of realism. She often incorporates objects from her everyday life into her

paintings, such as flowers, animals, and people. Tammy's paintings are full of life and color, and they offer a unique perspective on the world.

Tammy Ruggles' Artwork

Tammy Ruggles' artwork has been exhibited in galleries and museums across the United States. Her paintings have also been featured in several magazines and newspapers. Tammy's work is known for its vibrant colors, bold textures, and unique perspective. Her paintings are a testament to the power of creativity and the human spirit.

Here are some of Tammy Ruggles' most famous paintings:

- **"The Colors of My World"** is a vibrant and colorful painting that captures the beauty of the natural world. The painting features a variety of flowers, animals, and people, all rendered in Tammy's unique style.
- **"The Spirit of the Horse"** is a powerful and moving painting that depicts a horse running through a field. The painting captures the beauty and grace of the horse, and it also conveys a sense of freedom and spirit.
- **"The Dance of the Cranes"** is a delicate and graceful painting that depicts two cranes dancing in a field. The painting captures the beauty and elegance of the cranes, and it also conveys a sense of peace and tranquility.

Tammy Ruggles' Impact
