The Marx Brothers are one of the most iconic comedy teams in history. Their films are still beloved by audiences today, and their characters have become legendary. But what many people don't know is that the Marx Brothers also starred in a number of animated films.

The Animated Marx Brothers is a comprehensive pictorial history of these animated films. With over 200 rare and unpublished images, this book tells the story of the Marx Brothers' animated adventures, from their early appearances in cartoons to their own starring series.

The Early Years

The Marx Brothers first appeared in animation in 1929, in a cartoon called "The Cocoanuts." The cartoon was a huge success, and it led to the Marx Brothers starring in a number of other animated shorts. These shorts were typically based on the Marx Brothers' stage and film routines, and they featured the brothers' signature brand of humor.

The Starring Series

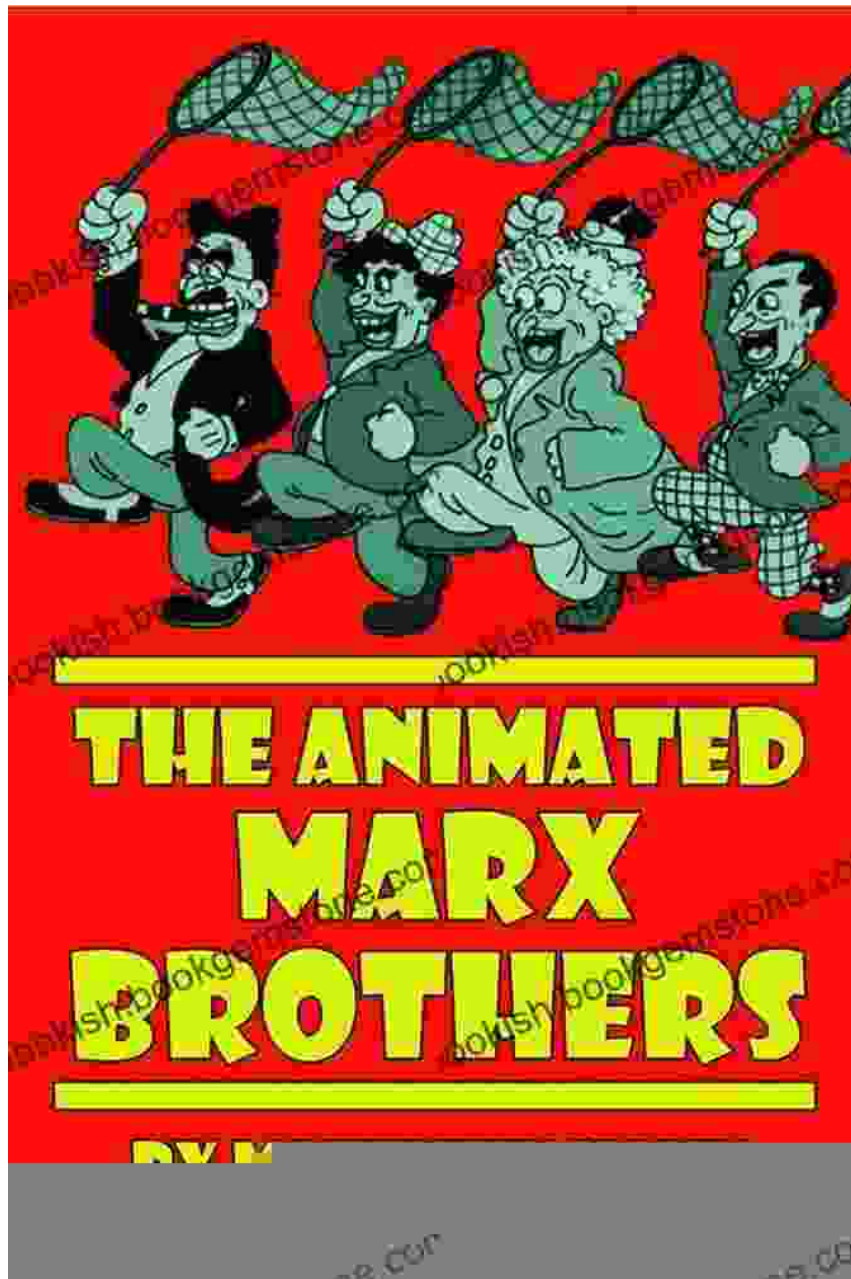

In 1935, the Marx Brothers starred in their own animated series, called "The Marx Brothers Show." The show was a critical and commercial success, and it ran for two seasons. The Marx Brothers Show featured the brothers in a variety of adventures, including a trip to the moon and a run-in with a mad scientist.

The Marx Brothers Show

The Later Years

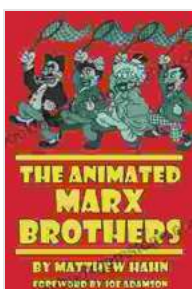

The Marx Brothers continued to appear in animated films throughout their careers. They made cameos in several cartoons, and they even starred in a feature-length animated film called "The Big Store" in 1941.

The Legacy

The Animated Marx Brothers is a testament to the Marx Brothers' enduring popularity. Their animated films are still enjoyed by audiences today, and they continue to inspire new generations of comedians.

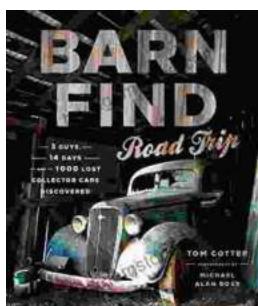

The Animated Marx Brothers is a must-have for any fan of the Marx Brothers or animation history. With its wealth of rare and unpublished images, this book tells the complete story of the Marx Brothers' animated adventures.
