The Chicago on Sexuality, Gender, and Culture (CSGC) is an interdisciplinary journal that publishes cutting-edge research on the social and cultural dimensions of sexuality and gender.

Founded in 2004, CSGC is one of the leading journals in the field of gender and sexuality studies. The journal publishes a wide range of scholarship, including empirical research, theoretical essays, and review articles.

CSGC is committed to publishing research that is both theoretically rigorous and socially relevant. The journal's editors are committed to creating a space for diverse voices and perspectives, and the journal publishes research from a wide range of disciplines, including sociology, psychology, anthropology, history, and cultural studies.

Mission and Scope

The mission of CSGC is to publish cutting-edge research on the social and cultural dimensions of sexuality and gender.

The journal's scope is broad, and it publishes research on a wide range of topics, including:

- The history of sexuality and gender
- The social construction of sexuality and gender
- The relationship between sexuality and gender and other social institutions, such as the family, the economy, and the state
- The experiences of LGBTQ people
- The politics of sexuality and gender

Impact on the Field

CSGC has had a significant impact on the field of gender and sexuality studies. The journal has helped to shape the way that scholars think about sexuality and gender, and it has provided a platform for new and emerging voices in the field.

CSGC has also been a catalyst for change in the real world. The journal's research has been used to advocate for LGBTQ rights, to challenge heteronormativity, and to promote social justice.

Submissions

CSGC welcomes submissions from scholars at all stages of their careers. The journal is particularly interested in publishing research that is theoretically rigorous, socially relevant, and interdisciplinary.

For more information about submissions, please visit the CSGC website:
